Freedom Conference

AND COMMUNITY WALK

Since 2009 there has been a concentrated effort to work with the faith community in Las Vegas to address the issues of child exploitation and human trafficking through addressing Christian men to be the miracle our society and church needs. **If there is to be any reduction in exploitation of women and children; if there is to be any freedom for men from the destructive bondage of pornography, men must be challenged, equipped and called to be the miracle for our society today and fight for those being exploited and fight for other men bound by pornography and other vices.**

FREE International's **Men for Freedom** is looking to partner with men of faith to come together at the

Las Vegas Men's Freedom Conference and Community Walk will be on Saturday, November 11, 2023, doors open at 8:30am, the walk begins at 10:45am and lunch will served at 12pm at Trinity Life Center, 1000 E. St. Louis Ave in Las Vegas.
